My brother Tom's favourite season is winter because he likes playing winter sports, and his favourite one is hockey. My mum likes spring because there are many different flowers in spring.

At school I have lessons from 9 a.m. to 3 p.m. My favourite subject is Science. I like Maths, too. I am not very good at Music or Art and I don't like these subjects. I play basketball in the school team. There are different competitions in spring and summer and we usually play against other school teams.
